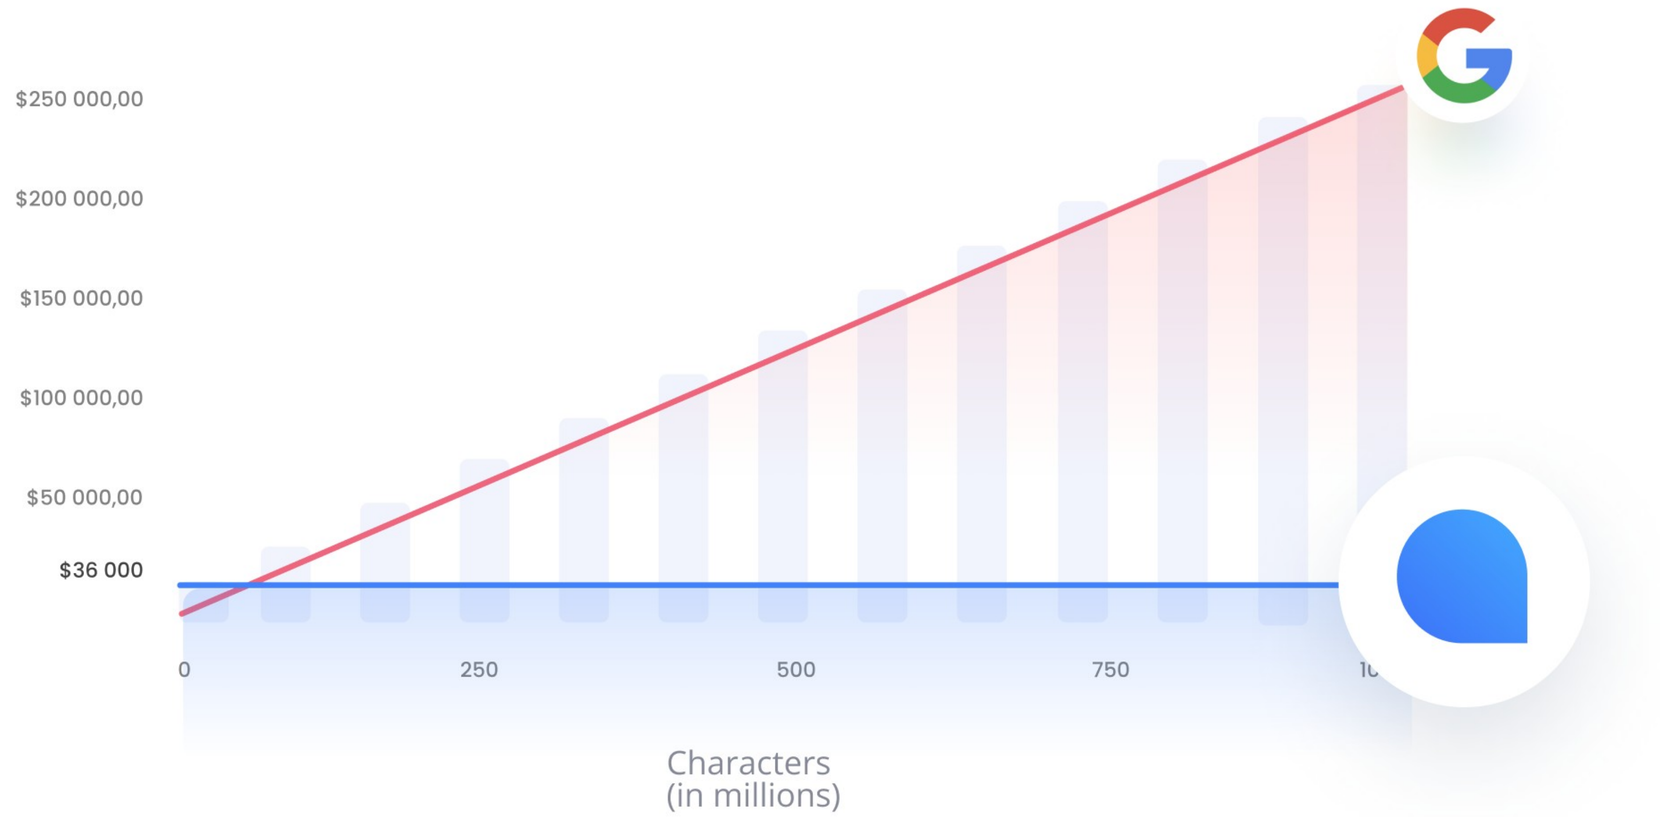
Privacy Protection

SDK works without internet connection. Therefore no one but you have access to your business data. Maximum security for the customers with demand for privacy.

Translate with no limits for a fixed price

The more you translate the more you save in comparison to cloud based solutions



Promt Integration with Your Business

SDK deploys on iOS, MacOS, Android and Windows platforms. It supports thousands of translations per day and seamlessly integrates with any business application and document workflow. Which in turn, helps enterprises to handle daily multilingual challenges.

“Whatever you input, regardless of language, Lingvanex Translator will release a strong translation so you can communicate more seamlessly and keep moving forward.”
